THE JUNIOR LEAGUE OF GREATER FORT LAUDERDALE

Women as Catalysts for Lasting Community Change.

WHO WE ARE

The Junior League of Greater Fort Lauderdale was organized in 1937 as the Fort Lauderdale Junior Service League to provide the community with willing volunteers in civic and child welfare work.

We've created several of Broward County's top charitable organizations. For the last 86 years, we have invested millions of dollars, matched by millions of volunteer hours, in improving the lives of our neighbors right here in Broward County. We have trained thousands of women to address community needs and to take on leadership roles at every level.

OUR VISION

We extensively research community issues and needs to then select a project and dedicate resources to solving the problem.

We achieve this through extensive volunteer time, expertise, collaborations with community organizations, grant solicitation, fundraising events, and fund development.

OUR MISSION

The Junior Leagues are organizations of women whose mission is to advance women's leadership for meaningful community impact through volunteer action, collaboration and training. Our purpose is exclusively educational and charitable.
